### AN ACT CONFORMING THE NEW HAMPSHIRE CLEAN AIR ACT TO THE REQUIREMENTS OF THE FEDERAL ENVIRONMENTAL PROTECTION AGENCY.

*Be it Enacted by the Senate and House of Representatives in General Court convened:*

**565:1 Fruits of Investigation; Limited Disclosure Permitted.** Amend RSA 125: 81, VII (supp) as inserted by 1967, 433: 1 by inserting in line 5 after the word "information" the following (other than emission data) so that said paragraph as amended shall read as follows:

VII. To enter at all reasonable times in or upon any private or public property, except private residences, for the purpose of inspecting or investigating any condition which is believed to be either an air pollution source or in violation of any of the rules or regulations or orders promulgated hereunder. Any information, other than emission data, relating to secret processes or methods of manufacture or production obtained in the course of such inspection or investigation shall not be disclosed by the director without permission of the person whose source is inspected or investigated.

**565:2 Limiting Operation of Motor Vehicles; Standard Clarified.** Amend RSA 125: 81, XII (supp) as inserted by 1971, 243: 2 by striking out said paragraph and inserting in place thereof the following:

XII. The agency shall have the authority to carry out a program of inspection and testing of all modes of transportation, to enforce compliance with applicable emission standards when necessary and practicable and to control or limit the operation of motor vehicular and other modes of transportation when in the opinion of the director such modes of transportation are producing or pose an imminent danger of producing levels of air pollutants that will result in a violation of an ambient air quality standard, or that will result in a significant deterioration, as defined in applicable federal regulations, of existing air quality in an area classified as a "clean air" area by state or federal regulations.

**565:3 Rehearing and Appeal Procedure Delineated.** Amend the introductory paragraph of RSA 125: 82 (supp) as inserted by 1967, 433: 1 by striking out said paragraph and inserting in place thereof the following:

The promulgation of any rule or regulation, and any order or decision of the commission regarding a request for a variance on the issuance or denial, suspension or revocation of any permit pursuant to this chapter may be the subject of a motion for rehearing and appeal by any person aggrieved, or party participating in the proceedings, in the following manner:
